To whom it may concern

I can confirm that all employees of Nottinghamshire Healthcare NHS Foundation Trust, who require a DBS check will have had an appropriate level of check either on appointment or through re-checking processes, via the Recruitment Department, Employment Services.

This is in line with mandatory NHS Employers Recruitment Check Standards which include:

- DBS
- References
- Right to Work
- Identification
- Qualifications/Professional Registration
- Occupational Health

Please do not hesitate to contact me if you have further queries.

Yours sincerely

A Rose
