Biography:

As an NLG, I was asked to join the Governing Body of Robert Shaw in the Autumn of 2017 as Chair and since then, the governance at Robert Shaw has undergone significant change. As part of our continuous review in terms of our effectiveness, it was agreed that we should look for an independent Chair as quickly as possible and so at the start of the 2018/19 academic year, I agreed to Co-Chair with Rukia Shaffi, providing a year of working alongside each other. In the 2019/20 academic year, Rukia has taken over fully as the Chair.

I have worked in school governance for about 15 years and was the former Chair of Governors at George Spencer Academy. I was awarded my NLG status in 2017 for recognition of supporting Portland Spencer Academy, a primary school in Bilborough, on their continuous improvement journey.

I am currently the Safeguarding and SEND Governor and have conducted regular visits at the school.

I am relatively local to Robert Shaw as I live in Strelley which is within the Bilborough Ward.
