

EYFS Aut 1 – Sticks and Stones

Some stories we will read

Key vocabulary

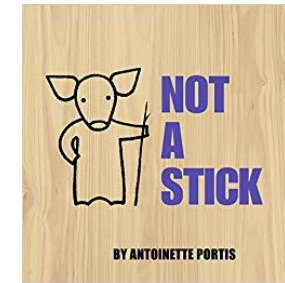

Stick, twig, branch, root, trunk, bark, leaves, golden, crunchy, smooth, rough, changes, Autumn, seasons.

Go on a walk in your local area and talk about all the things you can see.

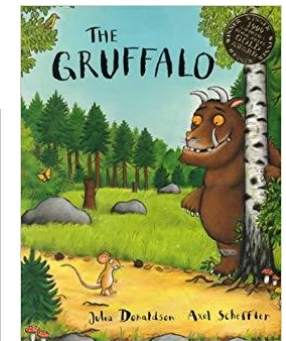

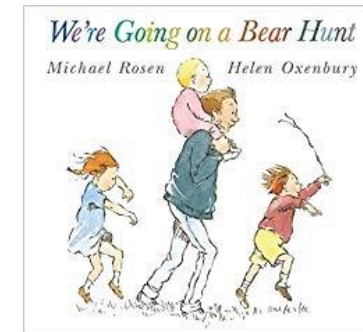

Collect leaves and compare the different colours, shapes and sizes.

Fun Fact

As the leaves decay, the green colour disappears and the leaf slowly changes to yellow, orange, red and brown.

Wollaton Park is a great place to see the Autumn changes on trees and collect Autumn Treasure like conkers and acorns.

Questions you could ask you child;

- What do you notice about the trees?
- How have the leaves changed? Do you know why?
- What does Nottingham look like in the Autumn?
- Are all trees the same? Which is your favourite? Why?
