HEADTEACHER'S MESSAGE

What another busy week in school.

A reminder that it is Parents' Evening next week. We look forward to seeing everyone and sharing the work we have done this term. Also, please remember no dogs are allowed on the school premises. This is to help look after our outside areas and prevent accidents occurring.

Please look out for the Parent Survey which will be launched next week. All entries will go into a prize draw for a £25 Aldi gift card. Your views are really important to us so please complete the survey. To complete the survey, either scan the QR code during your Parents' Evening visit or access the link on Dojo. Paper copies can also be made available. Thank you in advance.

ATTENDANCE MATTERS...

Hi All

The overall school attendance has unfortunately not improved since last week and has instead fallen! (Please see figures in the banner below).

There are many illnesses at the moment, mainly autumn colds and sickness bugs. If in doubt, please check government guidelines and our school policy regarding how long children should be absent.

GOLDEN TICKET UPDATES

We have had a great reception to Golden Tickets and prizes so far this year.

It has been brilliant to see so many of you getting behind this scheme and ensuring your children are here on time so they can be in with the chance to win a ticket and a prize!

The School Office Team are regularly asked about Golden Tickets from excited children. We would love to be able to give out even more, so please do keep ensuring your children are at school bright and early to be in with a chance of receiving one!

YEAR 4 SUFFRAGETTE MARCH

On Friday 10th October our Year 4 children took part in a Suffragette March. Parents/carers were welcome to come and watch - it really was a sight to behold! You can see some of the pictures below. We are really proud of the effort and enthusiasm that the children have applied themselves to this project with. Well done Year 4!

LOST PROPERTY

As you can imagine, we have collected a LOT of lost property during the first half term back at school.

To reduce the amount of Lost Property and to help items be returned to their correct owners, please ensure everything you bring to school is clearly labeled with your child's name and class. This includes lunch boxes, water bottles, bags and items of clothing.

If you believe your child may have lost any belongings, please ask them to check the lost property box in the hall.

SPORTS NEWS

What a sports filled half term we have had so far!

The children have been getting involved in various sports activities both during school and after school too.

Mr Harris has said "The children who have been chosen for the football/dodgeball have shown good behaviour, given the school a very positive overview, and have shown all of the school values. I'm proud of them."

Well done children - we hope you keep this up at future events!
