ATTENDANCE MATTERS...

Dear All,

Whole school attendance stands at 93.3%. This is below the Robert Shaw minimum target of 96%. The figures reflect term time holidays taken from the beginning of the school year. We know that some term time absences are unavoidable, but please do try and keep holidays to school breaks and NOT during times when school is open. It may seem like a few days to yourself as a parent/carer, but it can have a big impact on the children, meaning they miss out on important events, and often have to play catch up with school work. I will be soon be sending out letters to parents/carers of those children who are persistently not in school.

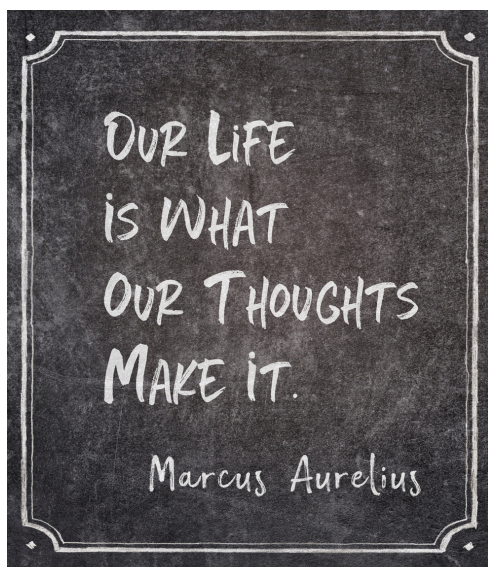

Illness/Absences

For all absences, particularly those we are not already aware of, please ensure you call or send a message on Class Dojo before 8:30am. This saves us from calling you in error as we will already have the absence recorded, and means you can get on with your day. Thank you for your continued support.

WEEKLY HIGHLIGHTS

Year 6 Food Festival

As a part of their Belonging topic, Year 6 spent Wednesday afternoon in the dining hall holding their annual Food Festival - an opportunity for everyone to bring in food from their cultures and share in the wealth of diversity that we have at our school.

They had a lovely afternoon and got to try plenty of different foods from places such as, Mexico, Pakistan, India, England, Iraq, Nigeria, China and many more!

We are so lucky to have such amazing parents/carers who took time and effort to create these foods for all of Year 6 to try.

Thank you!

Year 2 Visit to St Margaret's Church

What a super afternoon Year 2 had on Tuesday. Visiting St Margaret's Church was so exciting! The children sang songs and watched TV, even taking part in a Scavenger Hunt, before coming back to school for a late playtime.

Thank you so much to all our parents and helpers, and to Miss Sheik for organising the trip. Let's hope we can visit again soon!
