HEAD TEACHER'S MESSAGE

It was wonderful to see so many of you at parents/carers evening over the last couple of weeks. If you have not yet spoken with your child's class teacher then please do contact them to arrange this before the end of term.

In school it is currently assessment time. These are taking place over this week and next. The children are working hard with these tests and we are seeing some great progress which is being reflected in the results.

ATTENDANCE MATTERS...

It has been fantastic to see so many classes this week get 100% attendance each day and achieve their gold stars! Many children are even asking about their stars and looking forward to their prizes, which is amazing!

We have also had many children improve their attendance this week which is also fantastic news (also thank you to our parents/carers for your support with this).

Please keep looking for our golden tickets on the school playgrounds in the mornings as this will happen once every week. To get a ticket, you just need to ensure that your child is on the school grounds for 8:40 in the morning.

Absence Request forms

If you know that your child is going to be off school for any period of time (holiday, wedding, family occasion), please ensure that you get an absence request form from the office and arrange a meeting with Miss Williams to discuss this. If there is anything you feel that you need from school to support your child's attendance or you would like a conversation about it, please contact the office to arrange a meeting with Miss Williams.

Illnesses

This still seems to be the highest percentage for why a child is not in school. If you feel your child is feeling a little under the weather, please bring them to school and let the staff know so that they can monitor them throughout the day. Remember to let the office know at the earliest convenience if your child will not be in school and when they are due to return.
